525 Detention Review Process

Letter	Step	Function
A	Offender Records Correctional Administration (ORCA) Notification	Notification by ORCA for 30 / 90 day detention review
B	Application Delivered	Form CC4 and Addendum (if needed) is completed by Sentence Administration. Sentence Administration forwards document to a court proxy via email
C	Application Received/Vetted	Court receives the application and reviews the file via JOIN to confirm the next court date on the source file(s) and determines which appearance court date to add the application to. This will not be required if the accused has been released or convicted.
D	Electronic File Created	Applications are added to JOIN using event ADULTAPP (U files are created for all applications except those which do not qualify for a 525 hearing) by KB Criminal department. The Court will electronically add the file number and the Detention Review Scheduling Hearing Date to the CC4.
E	Order to Procure	Judge's orders are created by the KB Clerks Office and sent to the appropriate correctional centre in accordance with local office procedures to ensure the attendance of the accused at the initial Detention Review Scheduling Hearing Date.
